PRODUCT CATALOG

Welcome

Enclosed you will find our most popular products as well as many new and exciting additions. We appreciate the opportunity to share with you the many features of Wood Designs furniture.

Wood Designs is an American manufacturer, located in North Carolina. Everyone at Wood Designs strives to continually provide the highest quality products and customer satisfaction. We promise to provide some of the safest, strongest, and most aesthetically pleasing furniture for early learning environments by using the best materials, strongest construction, and imaginative designs, in our state of the art manufacturing facilities.

We meet this pledge by using the world's best plywood for manufacturing our furniture. We then cover all surfaces and backs with our TUFF-GLOSS™ UV Finish which is designed to be extra durable and scratch resistant. Our mortise glue-steel pin joinery provides maximum strength and aesthetic appeal. Before sending the product to you they are hand inspected for quality and correctness each and every time before being placed in heavy duty packaging to help ensure a safe arrival.

Want a more personal touch as you browse for your product? Please feel free to give our customer service team a call. You will not hear an automated answering service but an actual knowledgeable team member who's ready to assist. Also, take a look at our website, www.wooddesigns.com, for even more product selection.

*Thank you for choosing Wood Designs.

TUFF-GLOSS™ UV FINISH

All birch and maple product are coated with our exclusive Tuff-Gloss™ UV Finish that provides unmatched furniture protection from scratches, wear and tear, spills, and makes for easy cleaning.

Tuff-Gloss™ UV along with all our furniture is GreenGuard Gold Certified.

This means it has passed UL's strict testing for chemical emissions and indoor air pollution and is certified to be free from harmful substances. This program is the most stringent indoor air quality test with annual retesting required to maintain certification.

CIRCULAR STORAGE UNIT

The Circular Storage from Wood Designs gives parents and teachers a place to stow their kids' belongings in an angle-free fashion. The natural aesthetic provides simple curved elegance for any classroom, daycare or home environments.

This unit's two to three tiered design adds ample storage options for toys, crafts and books. You can quickly change the flow of the room by moving this unit easily on its locking casters. Constructed from 100% Birch Plywood with eased edges and coated with our exclusive Tuff-Gloss™UV Finish making it resistant to stains and durable for any child settings. The shelves are sectioned off into quarters.

The Circular Storage Unit is proudly made in the U.S.A. and comes with a lifetime warranty..

TIME-2-PLAY™ BUILDING BLOCK TABLE

Boost and encourage your children's imagination with the Time-2-Play™ LEGO® or DUPLO® Compatible Table. This wide wooden activity table features four large LEGO® or DUPLO® compatible base plates.

Available in either blue, red or yellow, this table is perfect for toddler to child sized builders. In the center opening is a generously sized and removable collection net making for quick and easy clean up. The tabletop is made from 100% Baltic Birch plywood with reinforced aprons and eased edges providing additional strength and safety for a busy classroom.

The table surface is coated with our exclusive Tuff-Gloss™ UV Finish making it easy to clean and resistant to stains for any active educational environments. Attached to the table are your choice of hardwood legs or adjustable steel legs that are safe and durable enough to last throughout the years. This product is recommended for ages 3 and up.

The Time-2-Play Table comes with a manufacturer's 10 year warranty and is made in the U.S.A.

This product is GREENGUARD Gold certified for non-toxic emissions.

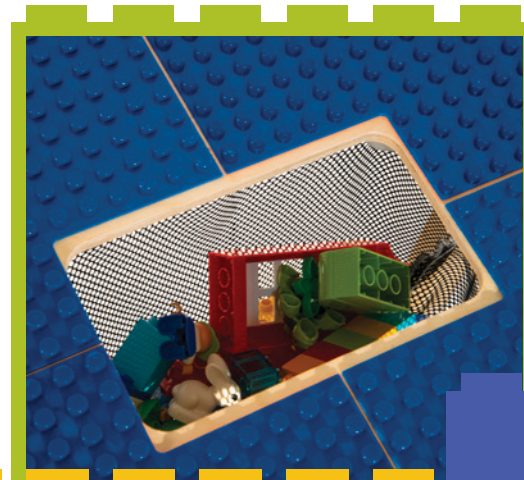

Minor Leg and Net assembly required.

This product does not include LEGO® or DUPLO® building blocks.*

TABLES/DESKS + SNEEZE GUARD

These durable tables and desks are the ones you've come to trust from our High Pressure Laminate line. The polycarbonate partitions are easily attached with a simple screw assembly and can be removed anytime. Carefully rounded corners and edges for added safety. Reinforced extra strong aprons for the strongest construction possible. Comes with 18"-29" Adjustable steel legs to fit any age range, leg assembly required. The polycarbonate partition ships ready to assemble. Our sneezeguards can be purchased alone and can fit most tables or desks of similar size. Once assembled this partition requires a simple installation of a hook and loop fastener at the base of the partitions. Minor assembly required. 10 Year Warranty. Made in the U.S.A.
